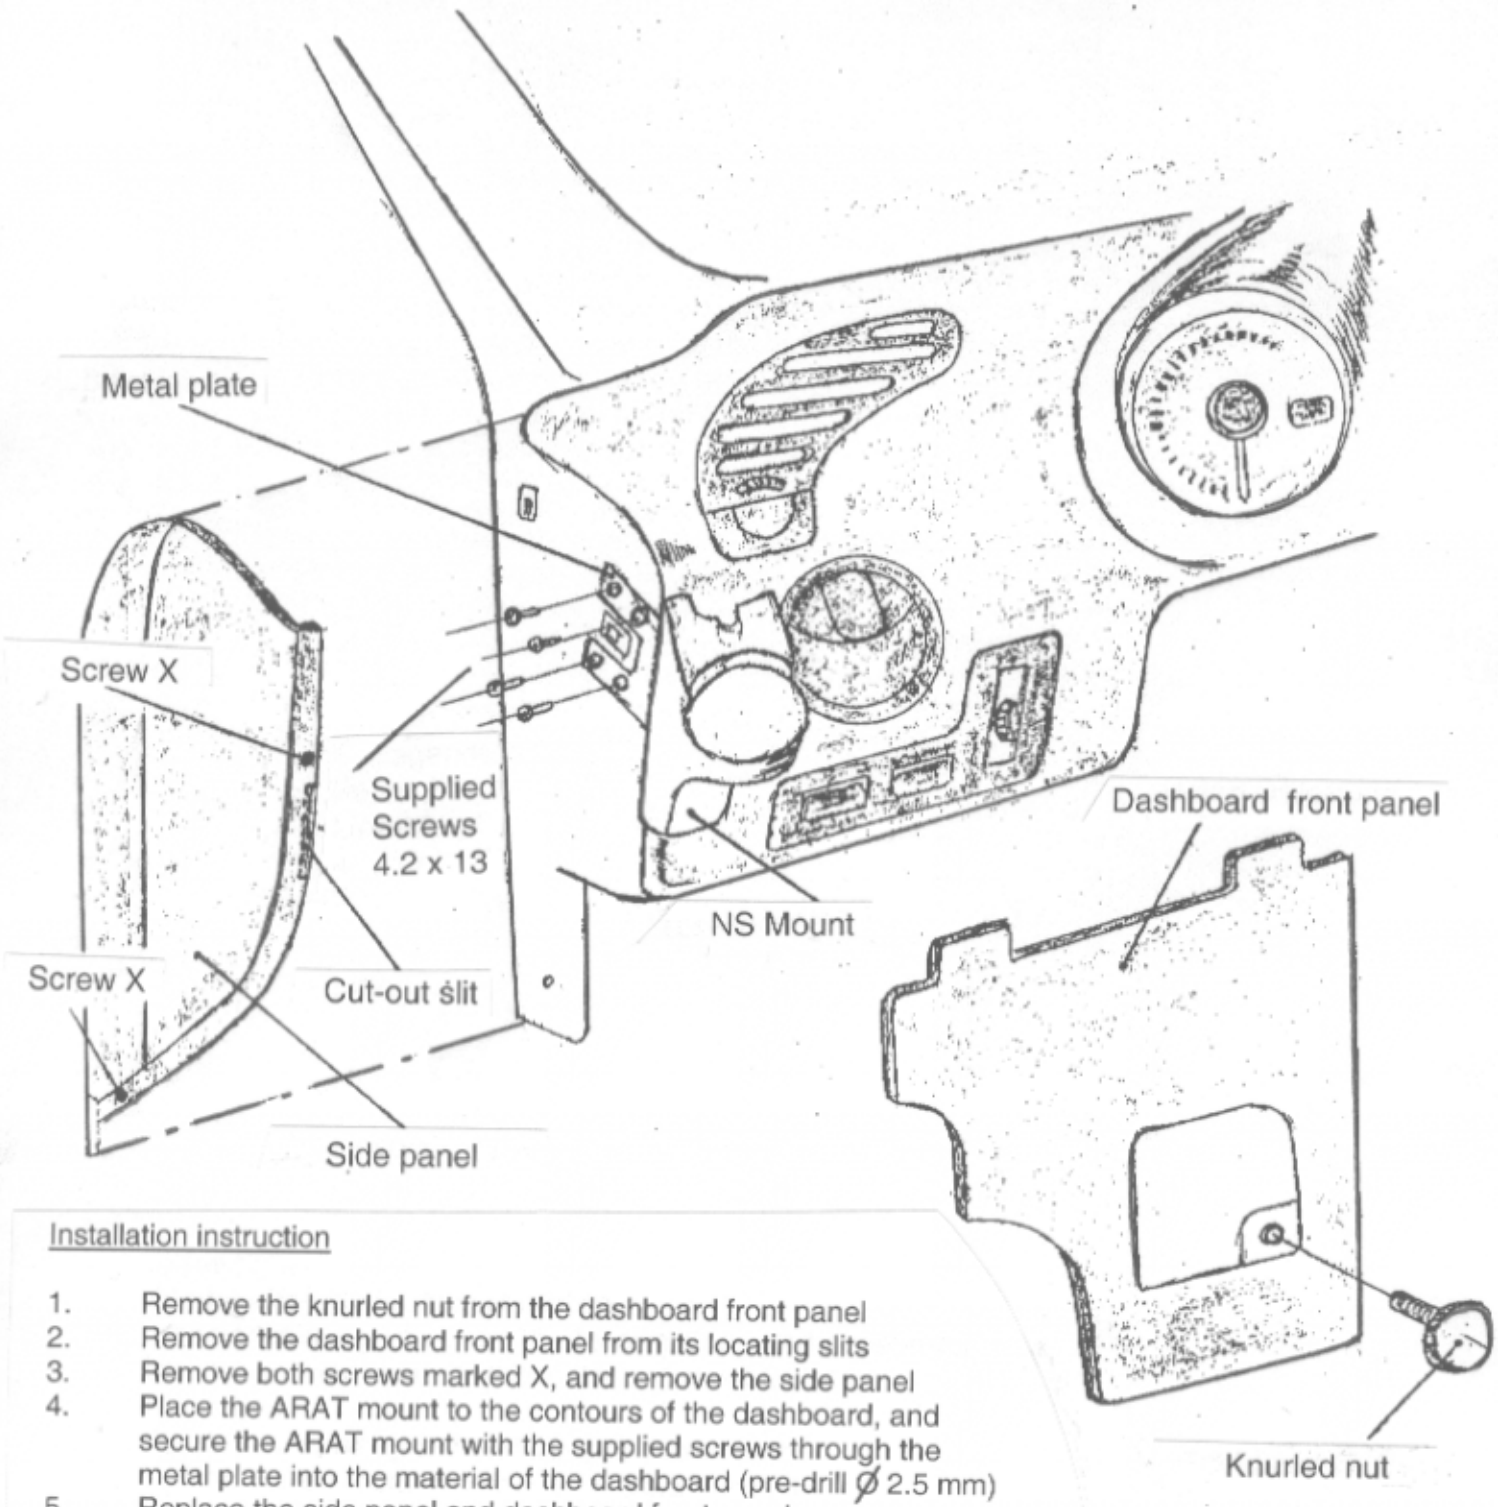
Installation instruction

ARAT Special mount for Navigation Systems

Artikel-Nr.: NS 1252.2
for Alfa Romeo 156
2002 …….. (Left from steering wheel)



Installation instruction

1. Remove the knurled nut from the dashboard front panel
2. Remove the dashboard front panel from its locating slits
3. Remove both screws marked X, and remove the side panel
4. Place the ARAT mount to the contours of the dashboard, and secure the ARAT mount with the supplied screws through the metal plate into the material of the dashboard (pre-drill Ø 2.5 mm)
5. Replace the side panel and dashboard front panel

Note: If required, cut a small slit into the side panel, in the area of the metal plate.
